Making an appointment: Appointments for doctors, nurses and healthcare assistants must be booked in advance. Telephone lines are open at 8 am for appointment booking. A standard time slot is 10 minutes. If you need more time please indicate that you need a double appointment (20 minutes). To guarantee an appointment on the same day, please call before 10 am. Online booking for GP appointments will become available in the near future.

Telephoning the doctor: If you need to speak to a doctor please contact our receptionist who will arrange for the doctor to call you back.

Home visits: We can offer the most comprehensive care in our fully equipped surgery, however, if you are too unwell to attend the doctor please telephone the receptionist. All visits are carried out after morning appointments, between 12 - 2 pm.

Change of address: Please let us know as soon as possible if your address changes. You may use the online form to notify us of your change of details.

Local chemists: Apotheek Nieuw Sloten; Plesman apotheek (pharmacy). If you have registered with either one you can pick up your (repeat) prescription directly at the pharmacy. Please allow the pharmacy two working days to prepare your prescription.

Repeat prescriptions: There are various ways you may request a repeat of your medication.

1. By calling our receptionist (press 3)
2. By calling and using our answering service (press 2). You need to state your name and date of birth and the precise name and dosage of the medication you want a repeat of.
3. Online. Go to www.huisartspraktijkliefeld.po.praktijkinfo.nl to make your account. If you have an account you can make your own appointment in the webagenda, ask your question with e-consults and medication.
4. In person at the doctor.

Trainee ships: Our practice provides a traineeship for GP's. A typical trainee will be with us on a one year rotation. They are fully trained and qualified doctors who will see patients under supervision of one of our experienced GP's.
